If you are applying for financial aid, please check the type of aid you are applying for below:

- Teaching/research assistantship (part-time work)
- Tuition-and-fees waiver (scholarship---no duties)

Foreign students who only need a tuition-and-fees waiver should send documentation of adequate finances to the Graduate Division. Failure to do so may result in denial of admission for financial reasons even if you are found to be academically qualified and have sufficient funds.
